“ At age 15, I began playing drums and percussion at Christ the Redeemer. I had the pleasure of playing with and learning from Dan for several years. He served as a great mentor to me as I learned how to approach worship music in a thoughtful and artistic way. His encouragement provided me the confidence to continue to grow as a musician, and to this day I continue to apply techniques and concepts he shared with me to make the music I play better. Thank you, Dan. Praying that his family finds peace in God's promise to us.

“ *Dan was a very kind man. We will remember his help, freely given as a moments notice. He was fun to be with, he introduced us to some great music. He will be remembered by our family as a wonderful man, father and friend. He will be missed but thought of often.*
