“ Dan was an incredible friend. He will be missed by so many. He and I had so many adventures together. He was helping me move to California and we stopped at a restaurant for some food at 3 AM. Dan left the two dogs, Jasmine and Russell, in the truck with it running. It was a very cold night, somewhere in New Mexico. Of course, one of the dogs managed to lock the door of the truck. We had to find a gas station attendant in order to get the truck door unlocked. Tricky at 3 AM. So many more stories to tell. He was my very best friend.

“ Dan was VP of Monaghan's when I was President, and a big help getting the Fish Fry going and becoming the pierogis master. He was a big supporter of Monaghan's and became a good friend to me. He was a good man and I'll miss him!
