“ Carlo called me and told me "M" passed away. She was nothing short of wonderful. We all lived on North York when the Schimizzi family moved into Dearborn. Mr. S came for a job as an engineer at Ford, after Studebaker closing in So. Bend? It was 62? The fact that Tony, Josie, Joey, Carlo, Donny, and Vince became our neighbors was something special! I will never, repeat never, forget the friendship of the "OZ's" in my school years. We called her "M", and she loved it. Her smile was something, especially seeing Mr.S stare at you like he needed to cut your hair. Sunday dinner was after church, which was pretty weird for me. More than once, I walked down the block, and peaked into the side window in the dining room. M would wave me in for home made pizza and wonderful food. I will remember until I die, going on vacation with part of the family to visit the home of M, Franklin PA. Driving out in a navy blue Fairlane Wagon to the "TWIN CITIES, Oil City and Franklin!! We saw Bonnie and Clyde at the local theater. We have lost one of God's best souls and I am devastated. She treated me with love, as is all her family. Heaven just welcomed the most wonderful neighborhood Mom. Gracian, she is now with you.

Beautiful. Mrs. Schimizzi always made me feel unconditionally welcome. Her calm, quiet veneer always made me feel safe among all the older kids in the Schimizzi home. Truly a special person.
