“Molly and Family, On behalf of my family here in Traverse City, please accept our sympathies and most sincere condolences. I have a lot of good memories of Michael from high school, and can only imagine how much happiness he brought into the lives of you and the children. Please let me know if there is anything I can do to help, and I regret that I was not able to be south last week. You and the children are in our prayers, and take strength in the wonderful family you have.

“Dear Molly & the kids, Jean, Anne Marie and Ellen, We are deeply saddened by this tragic loss. When ever we visited (too infrequently I must confess) with our cousins from Michigan there was always lots of fun and laughter and Michael was always the source of so many of those laughs. Michael, we will always remember and miss your smile and charm. You are all in our prayers. God bless you all through this difficult time. Love, Mike, Sue, Marley, Miles and Emily Little (Oakville, Ontario)

There are no words to express my feelings for you and your precious, beautiful family. My heart is open if you need extra support, as I know you have a wonderful family to support you. I am sorry I found out to late to express my feelings in person. Jennifer
