“ *I just found out about Pat's passing after not having heard back from him. I was a customer (at Somerset Inn) who worked with him for over 25 years - beginning when he was with Perrin. I will fondly remember our friendly conversations from over many years.*

“ It took me a long time to be able to figure out how to say what I want to say to HONOR my Uncle Pat. My entire life he was a solid, strong, loving Uncle who truly cared more about his family and friends than any man usually is comfortable to show. His nickname was, is and will always be AWESOME for me. He married Aunt Bonnie and was so happy. He was devastated when we lost Grandma and Grandpa both in less than a month span years ago. He was ALWAYS there for Mike and I and especially our Mom. I was his first niece and I sure won the lottery with all my McDevitt Aunts and Uncles but during my Mom, Kathy Corbett's Divorce and then my wedding right after and 15 years later after my divorce he was there for us and all three of my kids as well. Because he never had kids...he inherited mine as well as all my cousins and boy was he amazing. My Mom's best friends are her brothers and sisters. She is devastated...as are all of us but. We are getting through it slowly by talking about him everyday and I literally have not one bad story about him. He coached basketball and when I went to Shrine high school, Scott Ferguson, a friend from Brother Rice, came to my graduation party to catch up with U.P. I never met anyone who knew him that didn't have multiple hilarious stories about him. I was and am so proud to call him my Uncle. He died at 68 and boy am I having a hard time getting myself to believe that he is really gone. I love you my awesome Uncle Pat and you are and will be here in my heart and in the hearts of all the hearts of all the people who you touched emotionally.

“ It has been more than 70 years since I have had the blessing of in-person contact with my cousins. I never got to know Pat as he was a sparkle in his father's eye. I can't help but think that he is a reflection of his sweet and generous parents. While time and distance have kept us apart, they cannot erase memories of long ago and the affection of this day. May Pat rest in peace and his family find comfort in knowing he is enjoying the glory of heaven and awaiting the rest of us for a family reunion.

“ U.P. is how he signed every card he sent to me. He also took me to my first Tiger, Lions and Pistons games! Life long fanatics of the home teams are us both. Go Team Uncle Pat!

“ I can't express how much I admired Pat. Impeccable integrity. Thoroughly dedicated to each of his customers. His strong work ethic and selflessness were obvious in every interaction I had with him over the last 25 years. He was truly a role model for the profession. Even during the most hectic times, it was obvious he was truly a nice guy. He will be missed. My deepest sympathy to you and his family and friends for having to bear such a great loss.

“ My old neighbor you will be missed. I remember hooping over our fence so I could play basketball with you. Lots of around the world basketball, pig and horse were played with you in your backyard as your dog Andre chased us and the basketball around. Lots of good times we're had by all. Sorry that you were called up at such a young age. My heart goes out to your family from your old Woodmont / next door neighbor friend.

“ Sorry to hear about the passing of Patrick my prayers are for the family and for Patrick. Last time I saw Patrick was at my brothers Charlie Rules wake in 2013. We had a nice visit. I was sorry we lived so far from each other I am sure we would have spent time together. He now is with God and his parents may he rest in peace.

In shock and sad to hear of Pat's passing. So many firsts in high school with this great guy: first concert, first giant hand made Valentines Day card, first rock star basketball player to meet up with after the game, and a truly caring guy whom I always respected and admired. Keep doing those Motown moves in your better place and let your spirit soar.
