“ Dear Emily and Sean, So sorry to hear of the passing of your father. Pat and I worked together for many years at 3M and played golf from time to time together, I considered him a very fine man and father and husband to Lisa. He, I, and others at 3M went through a lot of ups and downs together and I considered Pat to be one of the people who made all the work worthwhile, he brought humor and light into some difficult times. I wish I could be with you to share some of our Memories of Pat and his humor but we are in Florida on vacation and unable to return at this time. I will miss Pat and I know how difficult it was for him to lose Lisa. From my entire family to yours I wish and pray for your peace and best wishes. A long time friend, Ralph Scafuri and family.

“ You will be dearly missed Uncle Pat. A couple things that I remember as a kid about Uncle Pat: Uncle Pat always had all of the new technology before we did - VCR, video camera, and I think the bag phone too. He looked out for my financial future when I first started driving. Uncle Pat and Aunt Lisa were always helping people. They helped me out one of the times I needed it most. And on my wedding day Uncle Pat joined dad and I at the end of the daddy daughter dance crying hoping to dance the rest of the song with me. It just shows that he truly cared for me and that things in my life impacted him too.
I love you and I miss you Uncle Pat. Love ~ Amy

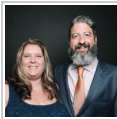

Emily and Sean – I am so sorry you are going through this. My heart aches for you.
