“ *Pat:*
You will be so missed by our family and especially by our friends. You were the center of attention for any celebration we were having. Your jokes were endless and surprising, to say the least. You were at all of our functions and the first to offer a toast. Those Christmas parties were interesting, I always worried about everyone going home. You were always the last to leave and never wanted the party to end. I hope there are many golf courses in heaven and you visit them all. I will remember to tell John that you are the best golfer.

“ Our memories are endless over the years over at John and Mary's place. We were so grateful to celebrate Thanksgiving two years ago with you. Your sense of humor was one of your greatest gifts as well as always being a friend. Pat's love of golf was amazing, we always loved having him at the Hope for Autism Golf Outing every year! We are pretty sure he never missed one outing! He was the first one to arrive at check-in, I am sure to make sure us girls knew what we were doing! lol. You will forever be missed Pat, may you rest in peace always!

Love,

Steve, Lisa and Harrison Gagnon
