“*Mrs. Perrin, This is the daughter of Jeanne Boudreau Phillips, your girlfriend from a long-time ago. My Mom is in Florida right now with her children for the holiday, but she saw your dear husband's obituary. My Mom regrets that she is on vacation with all of us, and not able to attend your husband's service. She told us of your dedication to your husband over the many years of his illness, along with your children. Family is everything, especially during the tough journeys. Please accept her sympathy and best wishes through this difficult time. God bless, Mary Anne Phillips Linsell*
