“ *Dear Halash Family,*
We are so sorry for your loss. There are simply no words to take away the pain your family is feeling, but you are all in our thoughts and prayers. Our son, Jasen, is a Topeka Roadrunner teammate to Peter and said he really looked up to him and learned from his example on and off the ice. Jasen said he was a great teammate/brother and will miss him tremendously. We will continue to keep you all in our prayers during this extremely difficult time. May he RIP.

My husband and I did not know Peter but enjoyed watching him play and from what we learned about him from our son he sounds like he was an incredible young man. “ Treasuring the friendship on and off the ice Peter had with Tyler. One of the funnest memories (from here) is when a local (Arvada, Co.) girl (Mckenzie) who skates for Disney On Ice got tickets for the show in Topeka and "the line" of Peter, Jake, and Tyler went and then hung out with the cast. Of course we got all the fun facts by cell phone and internet but it still is a special memory here. God just wanted Peter more than anybody.
