“ I am curious if this is the Peter Rich I had sessions with in the late 1970s in Redford on Six Mile. It was a smaller modular temporary trailer that I met with weekly.

This was nearly fifty years ago, and I recall him looking a bit like singer Micheal Mcdonald. His photograph does look very much like the Peter I recall.

Should this be the Peter Rich I have described, please try to relay my query.

Regardless, although it's been ten years since his passing, for what it's worth, my sympathies. . . .

“ *Worked with Peter at day treatment. Was a wonderful man and amazing social worker. It was an honor to have known him. He will be greatly missed, but his legacy will go on for generations through the many lives he has touched throughout his career and life. Hugs and prayers to Carol and family.*
