“ Dear Aunt Barbara, Cioci Helen & family,

Please accept our condolences and prayers on the passing of dearest Uncle Ralph.

Hopefully the anguish of the moment will soon be replaced with the warmest of memories of his life being the true gentleman we remember with a lifetime of warmth, smiles, fun and good times.

There are so many over so many years it could be a book. But a few that come to mind. From early memories - the pinball machine in the basement (and you played it for free!). To the many evenings in Dearborn talking and catching up, often with years between visits, but seemingly like we were there daily. And of course the move to Fox Run did nothing to dampen his social style, as evidenced in just one of many of his initiatives, the Thursday night Happy Hour and sing along. We were privileged and excited to join in on one occasion when we visited with our friends from Australia. Ralph had an uncanny way to make everyone, especially our Australian friends, feel like part of the family. Don't think our voices ever quite recovered from that boisterous session. And of course his interest in family and all their activities will no doubt be missed as well as his contributions to the records in family tree.

He and you all will remain in our prayers.

*Big Hug and much Love,
Larry & Colleen Czarnik
