“ Favorite memory of cousin Rene: time he drove me to Oskaloosa from Fort Madison in his new Mustang (which was just marketed in 1964). It was a mighty fast ride.

“ I have had the pleasure of knowing the Sophers for over 40 years. We lived across the street from then for 10 yrs and Sharon and I have remained friends ever since. Could not ask for a better person to always talk over things and laugh with. We have golfed and had dinner with them many times. I will always remember his wonderful laugh and sweet smile. He was like Santa Claus. Mostly he did what no one else could do and he found my Dad who I spent yeas looking for. That will always make him dear to me.. You have fun at the big course up in the sky big guy! Love to you and David.
