“ I am sending my deepest condolences and love to the HART family! I have been friends with Laura for more than 40 years. Bill was an amazing person and did a MAJOR repair to my home which was damaged from a big tree root that damaged the foundation. Bill used a big backhoe and dug out the back wall to my basement and corrected the damage and saving my home from collapsing. I do not know anyone else who had these talents. I wish the family finds a way to heal and move forward from this tragedy.

“ Love you, Bill. Thank you for showing us how to be strong and faithful when faced with adversity and trying times. You will be remembered for your love and trust in Jesus, your beautiful smile, great laugh, genuine spirit, sense of humor and overall love for life. Rest easy and talk, and laugh and dance with all the angels, especially mom and dad, and Mary and Joe. We miss you, sweet brother. 🙏❤️😊

“ *There are people that cross your path and stick with you. They're not covered in glue or fly paper. Just genuine real people. Not fake, but what you see is what you get real people. Need a friend, you have a friend. The entire Hart family are those people. I'm saddened with Bill's great disappearing act, but I know I'll find him some day. On that day we will get to hug one another again and I'll get to see that smile. The smile. The one that couldn't be faked. The one that that was usually followed with an infectious laugh. That was Bill. Till we meet again.*

*I first met Bill when the Saint Mary's Parish was blessed with the arrival of the Hart family in 1962 . It was our freshman year and we became quick friends and continued on to become co workers and buddy's till the end will miss that quick wit and infectious laugh which was always on full display to be shared by all ! The world will definitely be less Irish with the passing of Bill , God Bless and keep ! Your friend till the end , Chuck 🙏: 1:❤️*
